Hi. I have been swamped with the site. I have yet to go through this.
When is this due? Also, I am meeting with Mr. Telvock on Friday.

Hi,

You have been identified as potentially having files that are covered by the attached FOIA submitted by Mr. Telvock on May 17th. While the correspondence portion of this FOIA **may** overlap with Mr. Telvock's previous one (closed out this past February), your records search should include January 2015 files thru 5/17th.

Let me know if you will have stuff to supply (or not), we can discuss file sharing options at that point. Thanks!
